Webinar Training for Conservation District Supervisors

2013 Webinar Schedule At-A-Glance

- **Subdivision Review**
Wednesday, July 10 at 4:00pm
- **Local Government Liability Pool**
Wednesday, July 17 at 4:00pm

Districts may request additional webinar classes to meet local needs. Contact Justin Caudill as soon as possible to set up a theme specific Supervisor's webinar training. Every attempt will be made to accommodate each request. Once the class instructor and date are confirmed, an invite will go out to all districts for these extra classes. The registration process will remain the same.

Future webinars will be advertised via email as they are scheduled.

Please call or email with any questions
